- + Visas/Entry tax - you are responsible for ensuring you can travel.
- + Sports equipment, i.e. match balls
- + Expenses of a personal nature
- + First Aid equipment
- + Anything else not specified as included

I have taken several tours with Sporta and they have always been nothing short of first class. From start to finish our requirements have always been central to what is planned and the key difference with Sporta is that they deliver and go the extra mile for us. A truly terrific experience

***Rupert Kitzinger, Haileybury School***

Superb experience, well led, staff that are willing to do absolutely anything to ensure the team had a positive tour.

***Aaron Liffchack, Mill Hill School***

## Clients say...

We had a brilliant experience on tour with Sporta. The accommodation was outstanding, just what the group needed and in a brilliant location. We had two boys hockey teams with us and both teams played two fixtures against very competitive opposition. Again, exactly what we needed to help prepare us for the rest of the season. All transport and transfers to/from airport were carried out with minimal fuss and plenty of flexibility. Michael, who was our tour manager based in the UK, was outstanding throughout. Again, very knowledgeable and professional. I would thoroughly recommend a tour with Sporta to any school/sports team.

***Thomas Swarbrick, George Watson's College***
