Ranby House Early Years Foundation Stage - EYFS

Use of Funded Hours Explained

We are happy to accept the 15 or 30 hours of funding – this money is to cover the cost of childcare only. Additional fees will apply to cover the costs of specialist/academic lessons, morning snack, two-course lunch and afternoon snack.

As a school, we pride ourselves on the learning opportunities and experiences all our pupils receive every day. We are an 'academic nursery' where we invest in the foundations at the earliest opportunity. Therefore, during your child's time with us, whether this is a half or full day, they will receive structured lessons in maths, phonics, reading and writing, as well as specialist lessons, such as physical education and the use of our facilities in the Forest School and cookery room.

We also value the importance of mealtimes and healthy eating. As part of the full day fee, we provide a cooked lunch, where staff and children eat together in our dining room. The focus is on good meal-time manners, using cutlery properly, polite conversations and appreciating the food we eat.

During the day the children are also provided with healthy and tasty snacks and treats, from fruit, milk and hot chocolate in the winter months, to ice creams in the summer time.

Please note there is no VAT charged on fees for children attending Kindergarten or Nursery
