

AFTER SCHOOL ENRICHMENT PROGRAMME

Prep. Pupils (Years 3-6)
Mondays, Tuesdays, Thursdays & Fridays
After school 4:10 –5:10

Autumn Term 2019 (1st Half)

CLUBS and ACTIVITIES information.

At Ranby House we are very proud of the range of clubs and activities we offer our pupils as part of their continued enrichment.

We value the importance of every child having the opportunity to explore new skills, knowledge, experiences and learning beyond the classroom. Engaging with different pupils and staff strengthens our school community.

We have activities that support academics, music, and sport, to name but a few. We promote a whole range of different activities throughout the week, supported by our staff and visiting organisations, in order to give your child a complete learning experience.

*At Ranby House we want every child to,
'Be the Best they can Be' inside and outside the classroom.*

I therefore hope that every child finds an activity of interest to them; this could be the term they push the boundaries and try something new!

Best wishes,

**David Thorpe
Headmaster.**
