# Transport Services 2017-18

## **Our Transport Services**

**Being situated in over 400 acres of North Notts countryside means we have a wonderful environment for our students to learn in – we do however recognise that parents lead busy lives and the school run can be a hurdle that's tricky to navigate.**

We have a number of bus routes, running morning and evening, with new routes being added all the time.

We aim to provide a value-for-money bus provision that covers as much of our catchment area as possible - and with high quality vehicles, driven by regular staff, you can be assured of the best possible service.

## **Transport routes**

Buses do not run on a Wednesday or Saturday afternoons and times may be altered to accommodate major school events (we will always inform you of any changes).

**The driver is fabulous,  
always smiley and helpful.**

**Tobey feels safe and happy in his care.**

“

**I think the bus service is fantastic - our driver is lovely. Very approachable and accommodating, to dropping and collecting close to home. I would recommend the service to other parents.**
